

# The Last Time (feat. Gary Lightbody)

Taylor Swift

I find myself at your door  
Just like all those times before  
I'm not sure how I got there  
All roads—they lead me here I imagine you are home  
In your room, all alone  
And you open your eyes into mine  
And everything feels better And right before your eyes  
I'm breaking, no past  
No reasons why  
Just you and me This is the last time I'm asking you this  
Put my name at the top of your list,  
This is the last time I'm asking you why  
You break my heart in the blink of an eye, eye, eye  
You find yourself at my door  
Just like all those times before  
You wear your best apology  
But I was there to watch you leave And all the times I let you in  
Just for you to go again  
Disappear when you come back  
Everything is better And right before your eyes  
I'm aching, no past  
Nowhere to hide  
Just you and me... This is the last time I'm asking you this  
Put my name at the top of your list  
This is the last time I'm asking you why  
You break my heart in the blink of an eye, eye, eye...  
This is the last time you tell me I've got it wrong  
This is the last time I say it's been you all along  
This is the last time I let you in my door  
This is the last time, I won't hurt you anymore Oh, oh, oh, oh, oh, oh... This is the last time  
I'm asking you this  
Put my name at the top of your list  
This is the last time I'm asking you why  
You break my heart in the blink of an eye This is the last time I'm asking you  
Last time I'm asking you  
Last time I'm asking you this  
This is the last time I'm asking you  
Last time I'm asking you  
Last time I'm asking you this  
This is the last time I'm asking you  
Last time I'm asking you  
Last time I'm asking you this

This is the last time I'm asking you  
Last time I'm asking you  
Last time I'm asking you this
